## Department of Physics and Astronomy, Faculty of Science, University of Victoria

### Faculty Position in Astronomy

The Department of Physics and Astronomy, University of Victoria, invites applications for a tenure track Assistant Professor position in the area of astronomy and astrophysics. The appointment will be effective **July 1, 2017**.

Applicants should have a Ph.D. in physics or astronomy, or related fields, and are expected to possess an exemplary, internationally recognized research record, with exceptional promise for future achievements, and a commitment to graduate and undergraduate education in physics and astronomy. Applicants with an outstanding record in an area of astronomy or astrophysics that will enhance and/or complement the strengths of the astronomy group, and a commitment to excellence in teaching that will enhance the Department's programs, are encouraged to apply.

The Department of Physics and Astronomy (<http://www.uvic.ca/science/physics/>) consists of 22 faculty members with research interests in astronomy and astrophysics, particle physics, condensed matter physics, medical physics and ocean physics. The vibrant astronomy group, consisting of seven faculty members, benefits from close relations with the nearby NRC Herzberg facility and its staff, telescopes and instrumentation, and also has full access to all Canadian facilities. The newly formed Astronomy Research Centre (ARC) at the University of Victoria draws membership from the departmental Astronomy group, scientists at NRC Herzberg, and at the nearby TRIUMF laboratory. For more information on the research programs within ARC, see <http://www.uvic.ca/arc/>.

The preferred method of application is via <http://AcademicJobsOnline.org/>. A complete application will comprise a cover letter, a CV (including a publication list), a statement of research interests and plans, a statement of teaching philosophy and experience, and confidential letters from at least three referees.

Please note that you are asked to upload your CV and other personal information to this service, which is provided for the convenience of you and your referees. The service stores its data on servers located outside of Canada; the data is therefore not in the custody of or under the control of the University of Victoria. You may wish to review the privacy statement on <https://academicjobsonline.org/>. If you do not wish to use this service, please email Megan Nell, Assistant to the Chair, at [phast@uvic.ca](mailto:phast@uvic.ca) for application instructions.

Questions about the position are welcome and can be addressed to the Chair of Physics of Astronomy, Dr. Adam Ritz ([chair@phys.uvic.ca](mailto:chair@phys.uvic.ca)).

Review of applications will begin on **November 1, 2016**.

The University of Victoria is an equity employer and encourages applications from women, persons with disabilities, visible minorities, Aboriginal Peoples, people of all sexual orientations and genders, and others who may contribute to the further diversification of the University.

Faculty and Librarians at the University of Victoria are governed by the provisions of the Collective Agreement. Members are represented by the University of Victoria Faculty Association ([www.uvicfa.ca](http://www.uvicfa.ca)).

All qualified candidates are encouraged to apply; however, in accordance with Canadian Immigration requirements, Canadians and permanent residents will be given priority.
